Visitation celebrates 65 year tradition of carnivals

Visitation school will be “blasting to the past” to the beginning of its carnival tradition and returning to the good old days of neighborhood barbecues, the corner malt shop and mom’s apple pie with its biannual carnival on Friday, October 15 through October 17.

This year’s carnival theme will be “We Go Together,” taken from the popular “Grease” song, and it promises to deliver food, fun and entertainment for all carnival-goers.

The carnival is open to all ages and the entire community is invited to come out and enjoy rides, games, face painting, a prize room, bingo,

pumpkin painting, a bakery sale and more.

Visitation Parish is proud to have been the first real rides and games carnival introduced to the Westchester neighborhood over 65 years ago and for establishing the enduring tradition of bringing the community together for good family fun.

Visitation Church and School is located at 8740 Emerson Ave. in Westchester.
