To Whom It May Concern:

We, the undersigned employees at Visitation School support the approval of a waiver to allow return of students in grades kindergarten through grade 2 to the school for in-person learning. School administration has consulted with us regarding the measures taken to minimize the risk of transmission of the virus that causes COVID-19 and to provide a safe environment for all students and staff on campus. We are confident in the school's ability to comply with all requirements in Los Angeles County Department of Public Health's Reopening Protocols for K-12 Schools. Of the 28 faculty and staff employed at Visitation School, all 28 were able to sign below to register our support.
